Our 20th annual walk for Huntington's Disease

Come to The Guthrie Center between 8:30-9:40 to register, then get a ride in a groovy microbus to Alice's Restaurant (Theresa's Stockbridge Cafe) where you can get breakfast & begin the 6.3 mile walk back to the church passing the "police officers station" to meet the Stockbridge Chief of Police, swing by the old town dump, enjoy an ice cream cone kindness of Ben & Jerry's and of course returning to the church where it all began over 50 years ago. There will be water at every mile along with a few snacks! Once you get back to TGC, stay for some free lunch & entertainment! What a great day of friends & "fun"raising for Huntington's Disease!
